## EDUCATION

General Assembly, 2018/ Seattle, WA  
Brigham Young University, 2007-11/ Bachelors of Science

## UX EXPERIENCE

### General Assembly Projects

#### Concussion Alliance

- Visual designer for a non-profit website
- Created a style guide based on user feedback
- Utilized accessibility principles

#### King 5 News

- Interaction designer for a news app redesign
- Created wireframes based on user research and contextual inquiry
- User tested and iterated on design multiple times

## WORK EXPERIENCE

Cielo House/ Lead Nutritional Therapist  
January 2015 - November 2017, San Francisco, CA

- Managed a team of dietitians and collaborated with therapists to improve the lives of clients.
- Determined client needs and advocated on their behalf by presenting my findings in team meetings.

Center for Change / Nutritional Therapist  
March 2014 - October 2015, Orem, UT

- Developed curriculum and instructed groups of 30+ people on how to make lifestyle changes.
- Analyzed anthropometric data weekly to predict caloric needs for clients.

Utah Center for Eating Disorders / Dietitian  
April 2013 - February 2014, Salt Lake City, Utah

- Counseled clients and created individualized treatment plans based on feedback and metrics needed for recovery.
- Reported feedback and progress in client charts for future review.

Solstice Residential Treatment Center / Dietitian  
June 2012 - May 2013, Layton, Utah

- Implemented a client focused program from the ground up to address company needs and to bring care to teens with eating disorders.
- Made detailed reports about the project strategy and outcomes for stakeholders.
